

BriteSide™ Miracle Wash Aerosol Spray

A unique dry car wash and polish delivers outstanding performance and quick, easy and economical applications. No water required.

Simply apply Miracle Wash using the aerosol spray can, work around with a towel and let the surface dry to a haze. Buff with a clean towel until the haze is removed and wipe away to leave your car with a fantastic shine and a super tough protective finish.

Specially formulated surfactants lift dirt and other particles from the surface of your car and hold them in suspension.

Miracle Wash then acts as a shield, protecting the surface from abrasion while you wipe the dirt clean. Repels dust and light dirt particles and protects against the sun's ultraviolet rays.
